

BPDCN Info Community Guidelines

Thank you for visiting the BPDCN Info Twitter page! BPDCN Info is brought to you by Stemline™ to help raise awareness and share resources with those affected by BPDCN. We are very appreciative of your comments and interaction on our Twitter page. As Stemline operates in a highly regulated environment, we ask that you please adhere to the following guidelines—otherwise your comment may need to be pulled from our wall:

- Please be kind and comment respectfully (content that includes profanity, is defamatory, libelous, and/or offensive will be removed)
- While Stemline appreciates all comments, not every comment posted may be acknowledged or addressed
- Please do not discuss specific drugs or medications
- Please do not provide medical advice to others on our Twitter page
- If you have a specific question about your health or are seeking medical advice, please consult with your physician
- As a reminder, our Twitter page is public—please do not share personal information ie name, address, personal data, or identifying information
- Comments and posts by users on this site are not created or controlled by Stemline and Stemline is not responsible for such content
- Links or references to other sites may be featured on the page; however, Stemline is not endorsing, nor responsible for the content of such sites and shall not be liable for any damages or injury arising from such content
- By posting content, you grant Stemline an irrevocable, perpetual, non-exclusive, fully-paid, sublicensable worldwide license to use that content for any purpose including marketing and promotion. This includes a right to modify, edit, crop, highlight, and/or republish your content
- Stemline reserves the right to change the terms and conditions of these guidelines at any time
